15. (Secret - LLM) Called Ed Jacobson, Press Assistant in the office of Representative John Dellenback's office, advising him of the upcoming payment to [REDACTED] (See above Journal Item.) Jacobson said that they would handle the situation in the same manner as [REDACTED] and asked if I could give him a blind memorandum to close out their files.

Later Jacobson called and said that he had consulted with Evans and decided because of the interest of their principals, they would like to be briefed on the payment and it was arranged later on in the week.

16. (Unclassified - LLM) I called Edna Johnson, House Armed Services Committee, to determine the outcome of the Reuss Amendment (prohibiting certain CIA expenditure of funds authorized under the bill) to the Defense Procurement Authorization Bill and she said it was withdrawn on a commitment by Representative Nedzi to hold hearings on the legislation. (See note for file.)
